Research on animals

Does the proposed research involve animal experimentation?

- ☐ **YES**
☐ **NO**

If yes, please check one of the following boxes (the clearance must be valid through the entire funding period):

- ☐ **I have obtained** the clearance from the Ministry of Health to carry out the described animal experimentation, and I am attaching it to the application as an Addendum;
☐ **I have not obtained** the clearance from the Ministry of Health yet, but I will provide it before the start of the grant, if awarded.

In any case, the applicant declares that the research studies are accurately described in the proposal and conform to all regulations protecting animals used for research purposes, including those of the DL 26/2014. The experiments described in the proposal will be performed following the guidelines described in: Wolfensohn S, Lloyd M: 'Handbook of Laboratory Animal Management and Welfare, 4th Edition' (Wiley-Blackwell, 2013).
