

## **CURRICULUM VITAE**

### **Personal Data**

First name and the last name: Oto MAJZLAN

Date and Place of Birth: August 15, 1950 in Martin, Slovakia

Citizenship and Nationality: Slovak

Residence: Bajzova 4, 821 08 Bratislava

### **Education:**

- 1956-1965 Nine Year Elementary School in Nitra.
- 1965 -1968 High School in Nitra.
- 1968-1973 Faculty of Science, Comenius University in Bratislava, major in Biology and Chemistry, specialisation: Entomology.
- 1973, Master's dissertation defence on Communities of Beetles (Coleoptera) in Meadow Biotops in the Small Carpathians. Advisor: Prof. L. KORBEL.
- graduation with honour at Faculty of Science, Comenius University in Bratislava.
- summer schools in bioenergy in Warsaw and Cracow, Poland.
- 1975-1979 doctoral student at Dept. of General and Animal Physiology of Faculty of Science, Comenius University in Bratislava..
- 1979 defence of PhD thesis on "Structure and Dynamics of Arthropods of leaf Crowns of Trees in the Small Carpathians and Their Energy Value. Advisor: Prof. L. KORBEL.
- 1982-1983 visit to Prof. W. FUNKE at the university in Ulm, Germany.
- promoted to assistant professor in the field of entomology at Faculty of Science, Comenius University in Bratislava.
- 1999, received assistant professorship in Ecology, specialisation Environmental Protection at TU in Zvolen, Slovakia.
- 1999, received university professor in Ecology at Technical University in Zvolen, Slovakia

### **Professional activities:**

- 1971-1972, chairman of Zoological Circle at the departments of zoology at Faculty of Science, Comenius University in Bratislava.
- 1971-1973, participation at young scientists' competitions.
- 1971, member, Entomology Society of the Slovak Academy of Sciences.
- 1981-1989, scientific secretary, Entomology Society of the Slovak Academy of Sciences.
- 1985, member, editorial board of Entomological Problems.
- 1988, member, editorial board of Rosalia at Nitra Region Protected Landscape Area.
- 1997, member, editorial board of Folia Faunistica Slovaca.
- 1996, member, editorial board of Biodiversitas Slovaca.
- 1986-1998, foundation member of Coleopterological Workshops.
- 1995, member of dissertation board in Agricultural and Forestry Phytopathology and Fauna Protection.
- 1991-1993, head of the research project on Zoocenoses of Characteristic Biotops of the Morava and the Danube Neighbourhood.
- 1996-1999, head of the research project on Ecosozological and Bioindicative Evaluation of Fauna of Protected Landscapes of Slovakia.

**Practice:**

- 1973, doctoral student at Dept. of General and Animal Physiology of Faculty of Science, Comenius University in Bratislava.
- 1975-1987, lecturer, at Dept. of General and Animal Physiology of Faculty of Science, Comenius University in Bratislava.
- 1987-1991, assistant professor at Dept. of Zoology of Faculty of Science, Comenius University in Bratislava.
- 1992 - , assistant professor at Dept. of Biology and Pathobiology of Faculty of Education, Comenius University in Bratislava.
- 2000 - , Professor of Ecology
- 2002 – Dean of Faculty of Education Comenius University

**Publications:**

- 160 original papers on ecology of insects.
- textbook in Ecology (1997)
- textbook on Zoology of Invertebrates and vertebrates (1998)
- handbook on field work (1991)
- internal textbook on Ecology of Biosphere (1983)
- internal textbook on Physiology of Insects (1980)
- more than 70 reports from research projects
- internal textbook on Environmental ecology (2000)

**Visits, stays and expeditions abroad**

- 1975, summer school of bioenergy in Poland.
- 1982-1983 visit to Ulm, Germany.
- 1992-1999 periodical annual short-term visits in Ulm at Prof. Funke focused on ecology of soil insects in forest ecosystems.
- 1987-1988, visit to Mongolia.
- 1998-1989, visit to University of Peking.
- 1996 and 1997, expedition to Morocco.
- 1998, scientific expedition to Greece.

**Advisor:**

- until 1999 advised 42 master's students,
- to two PhD students, one of which was from Yemen.
- 1999 advisor to a PhD student from Institute of Experimental Phytopathology and entomology of Slovak Academy of Sciences.

**Miscellaneous**

- since 1996, ranked among “priority teachers” of Faculty of Education, Comenius University.
- since 1993, member of Academic Senate of Faculty of Education, Comenius University.
- since 1992, member of Wiener Coleopterologenvereins.
