

SAS Scholarship Program

Call fiche

Slovak Academy of Sciences („SAS“) located at Stefanikova 49, 814 38, Bratislava 1, Slovak Republic, announces a call for applications to the SAS Scholarship Program („Program“).

SAS Scholarship Program is intended for excellent foreign workers under the age of 40 who have been working long term abroad in research and technology.

Annual budget allocated to the Program is 140 000€. Financial contribution for one project can be up to 40 000€/year, while the duration of a project is maximum 4 years. Allocated financial resources can be used for the salary and statutory deductions of the successful researcher or members of his team as well as running costs of the scientific project up to 15 000€/year.

Application in Slovak and English language is submitted by the director of institutes that have interest in the proposed researcher, while he must comply with following eligibility criteria:

- Age of researcher under 40 years at the time of application submission;
- Completed doctoral studies and possessing PhD;
- Obtaining PhD minimum 3 years before application submission;
- Minimum 2 years long continuous study or research stay in abroad which has been finished maximum 6 months before the time of application submission or it still lasts.

Application shall be sent only by mail to the address:

Office of the Slovak Academy of Sciences
Department of Research and Development
