**Graduates Comments**

"The seminar was well organized and very exciting. This was particularly from the perspectives of management and leadership. I have learnt a lot from the lectures, the field trips and the exchange of experiences with outstanding participants. Partnership and collaboration among institutions of higher education can be expected to further strengthen in years to come."

**Prof. Dr. Yehoshua Ben-Ner**

**Your application must comprise the following forms:**

**Registration Form:**  
Please do not forget to complete all of the fields, as every detail is important and a fully completed registration application will enable us to process your registration in a speedy and efficient way.

**Visa Application Form:**  
Please make sure that your passport is valid, (at least six months more than the date of your future visit). Do not forget to include the place and date of issue and the expiration date.

**Photocopy of the person's information page:**  
Please scan the information page of your passport or copy it and send it by a scanned e-mail or by fax.

**Non-refundable Guarantee of Payment Form:**  
After you have completed this form, please make sure it contains full details of the applicant, full details of the responsible person for payment, signature and a stamp of the organisation and ready to be sent.

**Cancellation Refund Form:**  
You can send this by fax or by e-mail as well. Choose the most comfortable way for you.

**Kindly note that applications without all of these forms will not be accepted by our admissions committee.**  
With the exception of the Curriculum Vitae (which can be sent as a document by e-mail as well), the preferred way to send this application is either by fax or as a scanned attachment by e-mail.
