ESF Science Officer in the Physical and Engineering Sciences (PESC) Unit

Dear Colleagues,

This is to inform you that a position will become available in September 2008 for a Science Officer in the Physical and Engineering Sciences (PESC) Unit at the ESF.

I attach the profile for this position and would be most grateful if you would make it available in your organisation. As you know, the ESF favours the recruitment of its scientific staff on a secondment basis from its Member Organisations. In this context, I therefore count on your support and assistance.

I would ask you to bring the announcement for this ESF position to the attention of suitable candidates in your organisation and to encourage them to send a letter of application, including an up-to-date *Curriculum Vitae*, to the ESF Human Resources Unit by 18 August 2008, at the latest.

Yours sincerely,

Marja Makarow
