

Ministry of Science, Research and Technology
Iranian Research Organization for Science and Technology (IROST)

The 22nd Khwarizmi International Award

Call for Participation

The Iranian Research Organization for Science and Technology (IROST) invites all the researchers, inventors, innovators from all over the world to participate in the annual Khwarizmi International Award (KIA).

The purpose of this prestigious award is to recognize and honour outstanding scientific achievements and excellent research contribution by scientists in the fields of Engineering, Medical Sciences, Basic Sciences, Human Sciences, Agriculture and Emerging Technologies (bio, nano, etc.). The research works should fall into one of the following categories: Invention, Innovation, Applied Research and Fundamental Research. Applications along with complete requested information in English should be submitted by 31 October, 2008.

For application form, guidelines and FAQ, please consult the KIA Web Site:
<http://khwarizmi.irost.org>
