

**Prof. Sijbolt J. Noorda, The Netherland**

Sijbolt Noorda is president of Magna Charta Observatory, Bologna. He is a former president of the Dutch Association of Research Universities, president emeritus of University of Amsterdam and former Board member of the European University Association. Professor Noorda writes and lectures on teaching and learning in Higher Education, about ideals and practices of internationalization, on open science, core values and on governance issues in HEIs. He regularly reviews and gives advice to individual universities and national systems in the European Higher Education Area. He is a member of the international advisory board of various universities in Germany, Russia and The Netherlands.
