

Curriculum Vitae

Last name: Shubina

First Name: Olena

Place of birth: Lozova, Kharkiv region, Ukraine

Date of Birth: March, 31, 1992

E-mail address: oshubina@ta3.sk

Address: Astronomical Institute Slovak Academy of Sciences (AI SAS), P.O. Box 18, 059 60 Tatranská Lomnica, Slovak Republic.

ID ORCID 0000-0002-3782-1262

h-index (Scopus) 4

Positions held:

September 2009 – June 2013: Bachelor student at Astronomy and Space Physics Department of Taras Shevchenko National University of Kyiv. The title of thesis: “*Analysis of spectrum of comet C/2009 P1 (Garradd) in optical wavelength region*” (research advisor: Dr. Korsun P.).

September 2013 – June 2015: Master student at Astronomy and Space Physics Department of Taras Shevchenko National University of Kyiv. The title of thesis: “*Properties of dust and gas of shortperiodic comet 103P/Hartley-2*” (research advisor: Dr. Ivanova O.).

November 2015 – October 2018: Postgraduate student at Main Astronomical Observatory of National Academy of Sciences of Ukraine (research advisor: Dr. Ivanova O.).

January 2016 – October 2018: engineer at Laboratory for Physics of Minor Solar System Bodies, Main Astronomical Observatory of National Academy of Sciences of Ukraine (Kyiv, Ukraine).

November 2018 – December 2019: Junior scientist at Laboratory for Physics of Minor Solar System Bodies, Main Astronomical Observatory of National Academy of Sciences of Ukraine (Kyiv, Ukraine).

January 2020 – 2022: researcher at Laboratory for Physics of Minor Solar System Bodies, Main Astronomical Observatory of National Academy of Sciences of Ukraine (Kyiv, Ukraine).

January 2020 – March 2022: researcher at Laboratory for Physics of Minor Solar System Bodies, Main Astronomical Observatory of National Academy of Sciences of Ukraine (Kyiv, Ukraine).

April 2022 – present: researcher at Department of Interplanetary Matter, Astronomical Institute Slovak Academy of Sciences (Slovak Republik).

Research interests:

Small Solar System body: comets: spectroscopic, photometric and polarimetric investigation.

Additional scientific activities:

2013 – present: organization of the annual international Young Scientists’ Conference on Astronomy and Space Physics (member of LOC, secretary) (National Taras Shevchenko University of Kyiv, Ukraine)

2019 – 2021 organization of international scientific conference “Astronomy in Ukraine: from archaeoastronomy to high-energy astrophysics”, Main Astronomical Observatory of the National Academy of Sciences of Ukraine, (member of LOC) (Kyiv, Ukraine)

2021 – present: a member of the hanging committee of the Junior Academy of Sciences of Ukraine (section Astronomy and astrophysics) 2018 – present: Member of the International Astronomical Union

Participation in national and international projects, grants, studies, etc.:

2017: National Scholar Programme of the Slovak Republic — SAIA (Astronomical Institute of Slovak Academy of Sciences).

2017 – 2019: Ukrainian-Slovak Joint Research Project “Physical characteristics of comets, asteroids, and planetary satellites based on optical spectrum researches” (one of executors).

2020 – 2022: Grant of the National Research Foundation of Ukraine (№ 2020.02/0228) (one of executors).

2022 – 2025: individual grand from Government Office of the Slovak Republic within NextGenerationEU programme under project No. 09I03-03-V01-00001.
